

Kindergarten Term 3 Overview

Religious Education

'Loving God' is our Religious Education unit for this term. Students will discover God as our loving creator. We will explore how we can experience God's love through our relationships with others.

Science

Our Science unit for this term is called 'Staying Alive'. We will be learning about the basic needs of animals and humans as well as the role that our senses play in helping us experience the world. As a part of this unit we will hatch and keep chickens.

HASS

Our HASS unit builds on our unit from Term 1 term, as we look at the things that make a place special to us and how we can look after the places we live in.

Indonesian

Children will use greetings in Bahasa Indonesian to talk about themselves and their families and respond to instructions through actions.

Library day is Friday
Sport days are Tuesday and Thursday

Please see me or email me
(sarah.medway@cg.catholic.edu.au) if you
have any queries or concerns.

English

Students will continue to engage in silent sustained reading and writing. We will continue to explore ways to read unknown words. In writing, we will focus on spaces between words, hearing and recording sounds, capital letters and full stops. This term we will also examine how authors create stories and begin to plan our own stories.

Mathematics

This term in our Numeracy Blocks we will be learning: about equal and unequal groups, how to share objects equally and recognise equal halves, how to combine and separate objects, how to sort, describe and name 2D shapes, how to compare the area of two objects and describe the position of an object in relation to another object and use the language left and right. We will continue to revise the numbers to 20.

Health and PE

In Health we will be learning about the 5 food groups and where foods within each group come from. In PE we will be doing dance and tennis.

Important Dates

Wk 2	28/7	100 Days Celebration
