

## THE ARTS

The Arts are symbols and communication systems or languages. This area focuses on developing students' capacity to create, present and appreciate a range of art forms, including dance, drama, music, visual arts and media. The Arts bring together students, parents and the wider community.

A specialist music teacher conducts music classes from Kindergarten to Year 4.

The school also provides opportunities for private tuition in guitar, piano, and drama.

St Michael's Primary School offers opportunities for students to participate in drama/ musical presentations. This may take the form of a school produced musical / dramatic performance, participation in Wakakirri Story Dance and/ or focused presentations for specific events such as Easter or Christmas. Along with classroom experiences, these opportunities engage students in learning experiences in visual arts, music, drama and dance as part of their natural growth and development.
