

# Kindergarten Term 1 Overview

## Religious Education

Our unit this term is Heart Prayer. We will be learning; how to make the sign of the cross, that prayer is a special time with God and that Easter is a special time in the Church's year.

## Science

In Science we will be studying the area of Earth and Space Sciences. We will be exploring changes in the weather and differences in the seasons in our science unit 'Weather in my World'. Looking at the afternoon/evening skyline with your child will support their learning.

## Geography

This term in Geography we will be looking at how the features of places can help us to identify our local environment. We will be exploring our homes and a special place that we have.

Indonesian is on Friday. Children will mimic and role play introduction songs and games for numbers 1-10. They will also discuss similarities/differences in Australian and Indonesian cultures.

As you can see we have a very busy and exciting term ahead. Please see me or email me ([sarah.medway@cg.catholic.edu.au](mailto:sarah.medway@cg.catholic.edu.au)) if you have any queries or concerns.

Sarah Medway

## English

This term students will be introduced the letters c, a, d, h, m, t and s. Students will also begin learning sight words. These words will start coming home in the next few weeks in your child's Home Reading Folder. Please model and practise the correct pencil grip with your child as well as their identification of uppercase and lowercase letters.

## Mathematics

This term in our Numeracy Block we will be learning about the numbers 0-10. We will investigate 2, 3, and 4 part patterns and visually identify basic 2 Dimensional shapes and 3 dimensional objects.

If you haven't already done so, could you please provide your email address to Lisa at the Front Office. This will be used for the Parent Representative Network (PRN), for class level communication and the school newsletter.

Library day is Thursday  
Sport days are Tuesday and Thursday
