Dear St Michael’s Families and Friends

Half way through the final term of the school year! As we move towards Advent and Christmas, the importance of this season can be overshadowed by the busyness of the ‘end of year tasks’ and physically preparing for the holiday season. It is important to also take time to prepare ourselves spiritually for the season of Christmas - slow down, take stock, reflect and prepare our hearts for Jesus at Christmas.

Next week is Family Week where we hope you are able to share some quality time together at a slower pace, when just being together is the focus and not material possessions. Have fun!

CHANGE OF WEATHER
Over the last few weeks we have been experiencing a move towards summer weather and we have given the students regular reminders about safety in the sun. There is sunscreen available for them at school and it is essential that they have their hats and a water bottle at school every day. I also ask you to talk to your children about their choices of play / games during this very hot weather. Choosing to run around on the oval for both breaks is possibly not the best option. Thank you for working with us to keep your children safe.

STAFFING
We have been very busy in the staffing area over recent weeks. One major change to announce is that Mrs Zita Clifford has stepped down from the role of RE coordinator and will continue in the part-time role of Indonesian teacher for 2015 as she pursues other activities. We thank her for her dedication to this role in her time at St Michael’s. We welcome Mr Michael Wensing to this role and to the St Michael’s community from the start of the new school year.

KINDERGARTEN ORIENTATION
As we head towards our preparations for the Year Six graduation and farewell, we are also welcoming our newest St Michael’s members to our beautiful school. Next week our 2015 Kindergarten children will visit for two mornings, where they will meet their Mighty Mates and have a practice run at some of the routines of being at ‘big’ school. We look forward to this time with them.

STOP WORK MEETING
On Monday 17 November there will be a short stopwork meeting between 8.30 and 9.30am, which will be attended by some of our school staff. The meeting will be held at the school, so staff will be available for duty immediately following the meeting. There will be no interruption to the school day, as there will be adequate supervision for the children for that first hour of the day. There is no need for parents to make any adjustment to their usual routine of dropping the children to school. This message is only for your information.

PARENT SURVEY
A reminder that we would greatly appreciate your feedback by completing the parent survey on the survey monkey application, which is available through the link https://www.surveymonkey.com/s/QV5XG9K

**RELIGIOUS EDUCATION**

With just 2 weeks until we begin our Advent preparation for Christmas, we are encouraging everyone to begin collecting gifts for others not as fortunate as ourselves. We are asking for donations as part of St Michael’s Parish St Vincent de Paul’s Giving Tree. The giving tree, along with donation boxes will be up soon. Our school will assemble for a **Giving Mass** on Thursday 4th December. Any contribution of non-perishable food or Christmas gifts for children or adults would be greatly appreciated. Please drop them off at the Front Office anytime from now until the end of Week 8.

**WHOLE SCHOOL PRAYER TIME**

**Light Ceremony:** Wednesday 17th December @ 2pm

We will gather in the church for a prayer service at which the current Year 6 students will pass on the leadership to our 2015 Year 6 students.

**PARENT SURVEY !!!!**

Each year we ask the Parents/Guardians, the staff and the students to complete a survey about how well things are going at St Michael’s. This helps us make changes if needed and plan for the future. Your feedback is very important to us and I thank those families who have provided us with constructive feedback throughout the year.

Following the success of our Communication survey earlier in the year, we have also constructed this survey using Survey Monkey so you can complete it online. We trust this will make the process simpler and faster for you, as we would really like you to be involved and have your point of view heard. No names required. The responses will be considered in our planning, with consultation at Community Council level where appropriate. Thank you for helping us to make St Michael’s an even better school than it is already.
