

Parent Information Letter

Years 1 and 2

Miss Laura Frogley and Miss Cassandra Halls

Religious Education

"Power" of Prayer

Our Unit this term focuses on inspirational followers of Jesus and how they use prayer in their life

Music

Students will learn to maintain a steady beat to music through movement and playing a percussion instruments They will recognise and clap/ play rhythm patterns. Show understanding of and /or uses musical terms beat, rhythm.

Recognise and categorize different sounds and qualities of different instruments. Students will experience getting higher and getting lower through singing and playing.

Mathematics

This term we will be learning about whole numbers, strategies for addition and subtraction, informal and formal units of measure, the language of probability and digital and analogue time.

All students will be involved with investigations and problem solving

Physical Education

Our sports lessons this term will cover Soccer and Athletics Skills

Literacy

This term we will be focusing on creating self-directed short imaginative and informative texts. Through self-editing, peer editing and teacher conferencing we will be concentrating on text structure, grammar, word choice, spelling, and punctuation.

Science

This term we will be looking at the unit 'Watch It Grow'.

It provides opportunities to explore the growth of a range of living things and explore the processes of growth and change, of reproduction and death that apply to all animals.

Students will compare the growth of living things under different conditions.

History and Geography

This term we will continue our unit about Place and Country. We will explore some places which are significant to different groups of people, in particular Tidbinbilla and the Traditional Land Owners.
