

UNIFORM POLICY

The school uniform is an integral part of the identity of St Michael's. Children must wear the correct uniform, and parents must assist in the maintaining of standards in this matter. It is important for children to take pride in their appearance and in their school. This in turn ensures the students foster a sense of community within the school and in the wider Catholic school community, of which they are part.

Macdonalds School Wear Macquarie are our uniform suppliers. Uniforms will be displayed at the Kindergarten Orientation Day with details of sizes and availability. Second hand uniform items are available at the Front Office for a gold coin donation.
